Additional Features:

Continuation of Disability – If your active service ends due to disability, at age 60 or over, your life insurance coverage will continue while you are disabled. Benefits will remain in force until the earliest of: the date you are no longer disabled, the date the policy terminates, the date you are Disabled for 6 consecutive months, or the day after the last period for which premiums are paid. You are considered disabled if, because of injury or sickness, you are unable to perform all the material duties of your Regular Occupation, or you are receiving disability benefits under your Employer's plan.

Extended Death Benefit with Waiver of Premium – The extended death benefit continues your coverage without payment of premium, before you're eligible to qualify for Waiver of Premium, if you are continuously Disabled for 9 months prior to age 60. "Disabled" means, because of injury or sickness, you are unable to perform all the material duties of your regular occupation, or you are receiving disability benefits under a program sponsored by your Employer. Regular Occupation means the occupation you routinely performed at the time your Disability began. We/the insurance company will consider the duties of your occupations as those that are normally performed in the general labor market in the national economy. If you qualify for this benefit and have insured your spouse or children, the insurance company will also extend their coverage if applicable.

Accelerated Death Benefit – Terminal Illness – if two unaffiliated doctors diagnose you as terminally ill while the coverage is active, with a life expectancy of 12 months or less, the benefit for Terminal Illness provides up to:

Employee: 50% of your Term Life Insurance coverage amount or \$100,000, whichever is less.

Portability – If your employment is terminated, you can continue your life insurance on a direct-bill basis. Coverage may also be continued for your spouse/children. Premiums will increase at this time. Coverage can be continued to age 70, unless the insurance company terminates portability for all insured persons. Refer to your certificate for details.

Conversion – To convert, you must apply for the conversion policy and pay the first premium payment within 31 days after your group coverage ends.

How to Calculate Your Monthly Cost:

Step 1: Use the chart above to find your **Monthly** rate based on your age as of your effective date.

Step 2: Multiply this rate by your desired coverage amount, in units. Reference the table above to find the appropriate unit amounts for employee and/or dependents.

Step 3: The result is the **Monthly** cost.

Important Definitions and Policy Provisions:

When Your Coverage Begins and Ends – Coverage becomes effective on the later of the program's effective date, the date you become eligible, the date your enrollment elections are received if applicable, or the date you authorize any necessary payroll deductions if applicable. Your coverage will not begin unless you are actively at work on the effective date. Dependent coverage, if applicable, will not begin for any spouse or child who on the effective date is an inpatient in a facility or is home confined and under the care of a physician. Coverage will end on the earliest of the date you are eligible for coverage under a plan intended to replace this coverage, you or your dependents if applicable, are no longer eligible, the group policy is no longer in force, or required premiums are not paid.

Benefit Reductions, Exclusions and Limitations:

Benefit Reduction Schedule – If you are still employed, your benefits and your spouse's benefits will reduce to 65% at age 65, 45% at age 70, 30% at age 75 and 20% at age 80. Your premiums will also reduce to match your benefits.

Exclusions – Voluntary life insurance will not be paid if you commit suicide, while sane or insane, within the first two years of coverage.

Limitations – The Accelerated Death Benefit is payable only once. Using this benefit reduces the life insurance death benefit. The amount payable under the Accelerated Death Benefit may be reduced by the amount of other benefits already paid to the insured under the policy. See your certificate for details. Benefits will be extended without premium payment until the earlier of the date you are no longer disabled, or the date you fail to qualify for Waiver of Premium or fail to provide proof of Disability.

Guaranteed Issue:

If you are a new hire and you apply within 31 days after you are eligible to elect coverage for yourself, you are entitled to choose any coverage offered up to the Guaranteed Issue Amount, without providing proof of good health. If you apply for an amount of coverage greater than the Guaranteed Issue Amount, coverage in excess of the Guaranteed Issue Amount will not be issued until the insurance company approves acceptable proof of good health. If you apply for coverage for yourself more than 31 days from the date you become eligible to elect coverage under this plan, the Guaranteed Issue Amount will not apply, unless Guaranteed Issue has been approved by your employer for a specific period of time. Coverage will not be issued until the insurance company approves acceptable proof of good health.

These are summarized definitions only. To be eligible for coverage, the covered illness or event must meet the definitions and other terms and conditions set forth in the group policy.

THIS POLICY PROVIDES LIMITED COVERAGE. IT PAYS A FIXED BENEFIT AND DOES NOT COVER MEDICAL EXPENSES AS INCURRED. THIS IS NOT A SUBSTITUTE FOR COMPREHENSIVE OR MAJOR MEDICAL HEALTH INSURANCE. THIS COVERAGE DOES NOT SATISFY THE INDIVIDUAL MANDATE OF THE AFFORDABLE CARE ACT BECAUSE THE COVERAGE DOES NOT MEET THE REQUIREMENTS OF MINIMUM ESSENTIAL COVERAGE.
