

Member Education Videos

When it comes to your health care benefits, we know it can sometimes be easy to get caught up in all the terminology. But don't worry, we're here to help you sort it all out! We work hard every day to provide the guidance and support that helps you understand and use your health care benefits.

Because when you know how to use your benefits, they're readily available to help you maintain good health for you and your dependents! That's why we put together a list of all of our available member videos for you to access right on our Meritain Health® YouTube channel. Learn about common health care terms, open enrollment, our mobile app and so much more!
