

# Term Life and Accidental Death & Dismemberment (AD&D) Insurance

## How does it work?

You choose the amount of coverage that's right for you, and you keep coverage for a set period of time, or "term." If you die during that term, the money can help your family pay for basic living expenses, final arrangements, tuition and more.

AD&D Insurance is also available, which pays a benefit if you survive an accident but have certain serious injuries. It pays an additional amount if you die from a covered accident.

## Denver Health and Hospital Authority provides the following Term Life and AD&D coverage for you:

<b>You:</b>	<p>Denver Health is providing a benefit equal to 1x your annual earnings at no cost to you.</p> <p>You can purchase additional coverage at low group rates! **A 'Living' Benefit** — If you are diagnosed with a terminal illness with less than 12 months to live, you can request 75% of your life insurance benefit (up to \$500,000) while you are still living. **Waiver of premium** — Your cost may be waived if you are totally disabled for a period of time.

**Portability** — You may be able to keep coverage if you leave the company, retire or change the number of hours you work.
