DISCOUNT OFFERS ARE NOT INSURANCE. They are not benefits under your insurance plan. You get access to discounts off the regular charge on products and services offered by third-party vendors and providers. Aetna makes no payment to the third parties—you are responsible for the full cost. Check any insurance plan benefits you have before using these discount offers, as those benefits may give you lower costs than these discounts.

Policies and plans are insured and/or administered by Aetna Life Insurance Company (Aetna). Certain claims administration services are provided by First American Administrators, Inc., and certain network administration services are provided through EyeMed Vision Care ("EyeMed"), LLC. Providers in the Aetna Vision network are contracted and credentialed through EyeMed Vision Care, LLC according to EyeMed's requirements. EyeMed and Aetna are independent contractors and not agents of each other. Provider participation may change without notice. Refer to **Aetna.com** for more information about Aetna[®] plans.
