Network Cost Savings Example

Here is an example of how the Delta Dental PPO Plus Premier™ network saves you money:

How much will you save and how much will you pay out-of-pocket?*

Full charge of procedure \$1,000*

	ALLOWED	PAYMENT
Greatest Savings		Delta Dental pays \$400
In-Network Delta Dental PPO™ 50% benefit Coverage	\$800	You pay \$400
		You save \$200
Î		Delta Dental pays \$450
In-Network Delta Dental Premier® 50% benefit Coverage	\$900	You pay \$450
		You save \$100
	\$720	Delta Dental pays \$360
Out-of-Network 50% benefit Coverage Potential balance billing charge		You pay \$640 Includes \$280 balance billing (\$1,000-\$360 = \$640)
		You save \$0

The Delta Dental PPO Plus Premier network arrangement offers access to the nation's largest Premier network of dentists while simultaneously offering access to PPO providers who have agreed to accept even lower fees for Delta Dental patients.

Because Delta Dental network dentists have agreed to accept a lower reimbursement for services, subscribers experience lower out-of-pocket costs and the plan maximum will cover more care. This means real cost savings.

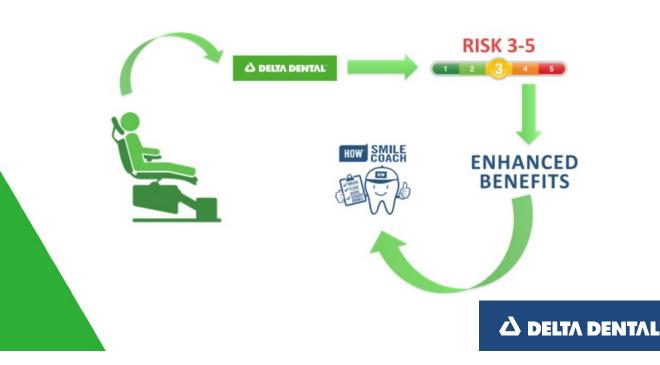

*Please note: this example is for illustrative purposes only and assumes any member deductible has been met. Benefit percentage and out-of-network reimbursement may vary by plans, procedures and contract setup. Please check your outline of coverage for exact benefit plans, procedures and contract setup.

HOW® it Works

- Dental office performs a clinical risk assessment, which is instantly submitted electronically to Northeast Delta Dental.
- Patients that score a 3-5 on a 5-point risk scale for being at risk for oral disease qualify for additional preventive care benefits.
- The additional preventive benefits can be applied immediately at that dental visit. (Ex: fluoride treatment for adults at-risk for tooth decay).
- Any additional benefits that a member receives do apply toward annual maximum.

Health through Oral Wellness® HOW® Program

Based on the concept of patient-centered oral health, HOW® provides additional preventive benefits to members who are at risk for oral disease, thereby helping them achieve better oral and overall health.

HOW® Employee Communications

Extra Benefits-No Additional Charge-For Your At-Risk Patients

Dear Dental Colleague.

Many of your Northeast Delta Dental patients who are at risk for caries and/or periodontal disease may be eligible for additional preventive benefits at no additional charge to them through the Health through Oral Wellness* (HOW*) program." (See these benefits below.) To assess their risk level, they need your help! Please complete an oral health risk assessment using the PreViser* clinical risk assessment tool. It is provided to you by Northeast Delta Dental at no charge.

Getting started is quick and easy—you can perform this assessment on your patients immediately. To create your free PreViser* account, please visit my.previser.com/start. If you have any questions please call Northeast Delta Dental's Provider Services department at 1-800-537-1715, extension 1100, and/or view a training video at previser.com/free.

STEP 1:

The dentist or hygienist performs a clinical oral health risk assessment and submits it to Northeast Delta Dental electronically and receives a score.

Members scoring between 3 and 5 on a five-point scale are immediately eligible for enhanced benefits.*

*Additional preventive benefits are subject to the provision of your patient's Northeast Delta Dental policy. Only the clinical risk assessment performed by you can determine your patient's eligibility for additional preventive benefits.

Access to dental care 24/7 with Teledentistry.com

What is teledentistry?

Teledentistry is the use of mobile technologies, including interactive audio and video, to provide oral health consultations, treatment and transfer of dental information.

Virtual visits are an effective way to receive care when the patient has a dental emergency or concern and it is outside of normal business hours, they are travelling, or they do not have a regular dentist.

How it works or mobile apps as

Patient determines regular dentist is unavailable and initiates consultation via phone or online at (866) 393-4022 or teledentistry.com/ northeast-delta-dental

Self service prompts quide patient through the system to reach a live dentist for an oral evaluation
